REQUIREMENTS

What to know before you apply

The **MINIMUM AGE** for most positions is 16 and in emergency and critical care services, it is 18. **ONBOARDING** can take several weeks and includes an interview, orientation, background check, and health screening. We require a minimum **COMMITMENT** of 75 hours, generally fulfilled through one 3-hour weekly shift. In compliance with state law, volunteers must be fully vaccinated against **COVID-19** or obtain an approved exemption.
