Bring It On

**Level Up is a FREE after school program,  
scheduled to take place at Audubon  
Elementary Tuesdays and Thursdays  
starting October 5th !**

With the support of mentors, youth (grades 3-6) create possibilities for their future through clubs focused on robotics, art, writing, and more! This gives youth the means to grow their **confidence**, **rise to meet challenges**, take **ownership of academics**, and **discover future aspirations**.
